5.0 Information from the Superintendent and Staff
5.1 Professional Development
Ms. Drake explained professional development is a set of tools, resources, and training sessions for educators to improve their skills. Staff are being supported by professional learning coaches/mentors, program director support, and specifically designed professional development which include: new teacher trainings, program director specific trainings, “Choose Your Own Adventure Trainings,” and certification trainings like CPR and CPI.

Professional development is held during early outs or late starts and during staff professional development days. New teacher trainings are offered monthly and take place outside of the duty day, plus they have a full day of training before the year starts. SELPA offers a wide range of training opportunities and program directors seek out other outside trainings.

Topics provided during “Choose Your Own Adventure” Professional Development day:
• Classroom Behavior Through an Expert Lens
• Special Education 101
• Occupational Therapy
• Evidence Based Practices
• Instructional Technology
• Adapted PE
• Transitions
• Student Annual Needs Determination Inventory (SANDI) Training
• Behavior – Data Collection Basics
• Child Development
• CPI One Day Refresher Class
• CPR Certification
• Legal Training
• Life Skills Training
• Student Engagement

Mr. Padilla asked if one of the trainings was more popular than others. Ms. Drake said the behavior training was pretty popular, but it is hard to tell because sessions are limited due to facility space limitations.

5.2 Information Technology Services
Mr. Lingo could not attend the meeting and will present this topic in April.

8.3  Consideration Second Interim Report/Budget
Mrs. DeWall reported the Second Interim goes through January 31st. MCSOS will meet the current fiscal requirements as well as the next two years. ADA is based on the 2021-2022 P2 for Special Education. ADA is estimated to stay the same in the 2023-2024 and 2024-2025 years. ADA is projected at 28.99 in Juvenile Hall, 12.60 for County Funded Non-Juvenile Court Schools, 192.74 for Pioneer Technical Center,
40.95 for Madera County Independent Academy and 257.87 for special education.

The COLA is budgeted at 6.56% for 2022-2023, 8.13% for 2023-2024, and 3.54% for 2024-2025.

Juvenile Hall did not get the additional funding that the districts received. Step and column increases are projected to be approximately 1.5%. MCSOS will see an increase in revenues before the end of the year for the DA budget. PERS & STRS rates continue to increase with no additional funding projected. 79% of the revenues for County Offices are restricted, meaning that Special Education funding cannot be used for Alternative Education or pre-school, etc. Revenues have stayed about the same from first interim to second interim. State revenues decreased in the state portion of the expanded learning opportunity grant by about $400 thousand. On the expense side, the main changes between the reports was an increase in salary/benefits, books/supplies, capital outlay, and other outgoing transfers. Services and other operating expenses decreased by about $400 thousand because it was moved to cover capital outlay costs.

Cautionary news: The Legislative Analyst Office reports anticipated budget problems in 2023-2024 stating the governor’s revenue estimates are likely to too high. They are anticipating a two-in-three chance that state revenues will be lower than the governor’s budget estimates for 2022-2023 and 2023-2024.

Danny Bonilla moved to accept the positive certification of the Second Interim Report/Budget, seconded by Zimri Padilla and carried by unanimous vote.

Ayes: Bonilla, Deniz, Loveland, Padilla, Soares, Jr.
Noes: None
Abstain: None
Absent: Bustos, Prosperi

8.5 Consideration Transportation Plan
Ms. Drake reported that Home-to-School Transportation Reimbursement was created
by Assembly Bill 181 and later amended by Assembly Bill 185. This legislation provides reimbursement funding for school districts and county offices of education based on the prior year eligible transportation expenditures and prior year Local Control Funding Formula transportation-related add-on funding.

When the program is implemented, the funds that are reimbursed will go back to the districts. A Transportation Plan is required in order to access reimbursement. Students were interviewed, along with the school site council to meet requirements for the plan. The plan was also sent to the air district control agency for feedback. 3 to 22-year-old students are transported to attend regional programs. Many are wheelchair bound or need health aids to ride with them. The demographic information provided in the plan is only on students that are transported. There is a formula that calculates mileage. MCSOS has received no reimbursement thus far. This plan proposes to reimburse up to 60% of costs. Mrs. DeWall added this is a two-year plan.

Shelley Deniz moved to approve the submission of 2022/2023 Transportation Plan, seconded by Danny Bonilla and carried by unanimous vote.

Ayes: Bonilla, Deniz, Loveland, Padilla, Soares, Jr.
Noes: None

8.6 Consideration Move All Personnel Policies in the 4000 Series from the Board to the Superintendent

Alfred Soares, Jr. moved to redesignate the misidentified 4000 Employee Series Board Policies to Superintendent Policies, seconded by Zimri Padilla and carried by unanimous vote.

8.7 Consideration Resolution No. 5, 2022-2023 Support of Funding for County Office of Education Operated Juvenile Court and Community Schools
Dr. Massetti explained this resolution urges the State Legislature and Governor’s Administration to support sustainable fiscal resources for the provision of public education and college and career transition for youth enrolled in juvenile court and community schools by establishing a funding formula that supports the provision of academic, college and career readiness, and social-emotional services.
Once approved, the resolution will be sent to Sacramento. Mrs. DeWall added the legislation will establish a base funding amount. ADA fluctuates in the juvenile court programs. Stable funding is needed to keep staff and programs funded.

Danny Bonilla moved to adopt Resolution 5, 2022-2023 Resolution in Support of Funding for County Office of Education Operated Juvenile Court and Community Schools, seconded by Shelley Deniz and carried by unanimous vote.

8.9.1 Madera County Independent Academy
8.9.2 Madera County Superintendent of Schools
8.9.3 Pioneer Technical Center
Mr. Cogan reported the Discretionary Block Grant Plan will allow MCSOS to spend funds on program operational costs. Since COVID, Career Technical and Alternative Education programs have lost 100 students. The Block Grants would be helpful in funding programs. It is a four-year plan.

Alfred Soares, Jr., moved to approve the Arts, Music, and Instructional Materials Discretionary Block Grant Plan, seconded by Zimri Padilla and carried by unanimous vote.

Ayes: Bonilla, Deniz, Loveland, Padilla, Soares, Jr.
Noes: None

An LEA may become a party to this MOU by submitting a completed Signature Page signed by the LEA's authorized representative. All LEAs that have completed and signed a Signature Page are also referred to in this MOU collectively as the "Parties" and individually as a "Party". All Parties, except Fresno County Superintendent of Schools CTE Department ("FCSS"), are California public school districts and are also referred to individually as "School District" and collectively as "School Districts".

1. **Recitals.**

1.1 The CTEIG Program is governed by Chapter 16.5 of the Education Code, sections 53070 et seq. The funds available under the CTEIG Program shall be distributed based upon the average daily attendance ("ADA") and matching funds of the applicant in accordance with this MOU and applicable law.

1.3 The CTEIG Program allows for a combination of LEAs, including county offices of education and school districts, to apply together for CTEIG Program funding for purposes of determining ADA and matching funds.

2. **Contract Term.** This MOU shall become effective on July 1, 2022 ("Contract Effective Date") and shall continue in full force and effect thereafter until and including December 31, 2024 ("Contract Termination Date") and any extension thereto ("Contract Term") and shall terminate at 12:00 midnight on the last day of the Contract Term without any notice or action by any Party. Any extension of the Contract Term shall be set forth in an amendment executed by the Parties.

3.3 Each Party to this MOU participating in the Consortium shall cooperate in the Consortium's application process and in the development of all necessary documents for the application(s) for CTEIG Program funding. Each Party shall provide timely responses to FCSS's request(s) for information and data relevant to the preparation of the Consortium's application(s) for CTEIG Program funding.

3.4 Each Party to this MOU will release the ADA of its students to the Consortium for purposes of the Consortium applying for CTEIG Program funding. The Consortium's application(s) for CTEIG Program funding will only report ADA for students that each Party has released for the purpose of determining the grant allocation award. Each Party authorizes the release of the amount of ADA specified on its Signature Page to the Consortium for purposes of determining the Consortium's grant allocation award.

3.5 Each Party to this MOU will sign all grant assurances and comply with all requirements as a grant recipient for the CTEIG Program funding, as outlined in Education Code section 53071.

A Party ("Indemnitor") shall: (A) indemnify and hold harmless the other Party ("Indemnitee") to the full extent permitted by California laws for any Loss sustained by Indemnitee or a Third Party only in proportion to Indemnitor's liability based on a Final Determination; and (B) defend and pay for all of Indemnitor's attorney's fees and litigation costs related to any Claim or Loss without any right against or from the Indemnitee for indemnity and/or hold harmless of such costs and fees, or any right for defense. A Party who intends to seek or seeks indemnity and/or hold harmless for any Loss from the other Party shall notify the other Party in writing and within a reasonable time after the Party knows or becomes aware of any Claim that may or will result in a Loss, describing, if known or determinable, the pertinent circumstances, all entities and persons involved, and the amount being claimed. A Party's obligations under this Article are not limited to or by any director, officer, employee, or agent of Agency; (C) an employee, agent, or volunteer of FCSS or a member, "Third Party" means a person who or an entity that is not any of the following: (A) a Party; (B) an owner, officer, employee, or agent of the Fresno County Board of Education; or (D) contracted with (whether directly or through a subcontract of any level) or otherwise retained by a Party to act for or on the Party's behalf.
