Agenda Item 8.4

Board of Education Action Item May 11, 2021

Topic:

Resolution #5, 2021-2022 - To Determine Use of Education Protection Fund Proceeds

Background:

Article XIII, Section 36 of the California Constitution requires that, school districts, county offices of education, and community college districts determine how the moneys received from the Education Protection Account are spent within their schools, provided that the governing board makes the spending determinations in an open session of a public meeting.

The passage of Proposition 30 in November 6, 2012, established Article XIII, Section 36 of the California Constitution, and the Education Protection Account (EPA). Local Education Agencies are required to determine how the EPA funds are spent in a public meeting each year. Funds shall not be used for the salaries and benefits of administrators or any other administrative costs. Proposition 30 sunset was on 12/31/2017 and with the passage of Proposition 55 on November 8, 2016, all requirements established under Proposition 30 transferred to Proposition 55.

Pursuant to the annual requirement for board action prior to the adoption of the budget, with actual EPA apportionments not certified until later in the 2020-2021 fiscal year, LEAs must estimate EPA revenue. The EPA revenue for 2021-2022 for Madera County Superintendent of Schools is estimated to be \$15,974 for Pioneer Technical Center \$619,329 and Madera County Independent Academy the estimate is \$136,963. In all three settings, this funding will be used to fund direct instructional services, such as instructional salaries and benefits.

Fiscal Impact:

Reclassification of \$772,266 from State Aid to Education Protection Act Funding.
